Instructions:

Paint: Frame, True Red. **Let dry.** Apply Crackle Medium following manufacturer's instructions. **Apply** a top coat of Light Pink. As paint dries, the red will show through the crackled pink paint. Let dry thoroughly, then **apply** a coat of Satin Varnish. **Let dry.**

Paint Pale Pink around the edges of the foam core board so the white won't show.

Adhere the cupid cardstock to the foam core board. **Adhere** these to the 12" inlay in the frame.

Cut out 14 hearts from the "heart" themed cardstock.

Position and **adhere** to the board as shown.

Poke a CraZy TACKz® into each heart, rotating the colors.

Adhere each TACKz stopper to the board using the Dimensional adhesive.

For the Candy Holders: Cut 14 4-3/4" x 1-1/4" pieces of pink cardstock. Refer to the diagram given and **fold** into a tiny purse shape. **Write** a nice message inside each one.

****Designer helps:** Go to our Website: www.crazytackz.com/CIY and download a template for the candy holders.

Print out on the pink cardstock...this will make this step much **easier and the sayings are already in the design!**

Punch out hearts and **adhere** a 1" heart to the front of one candy holder as shown. **Glue** a smaller heart to that. **Finish** with a clear rhinestone. **Make** a 1/2" loop with one piece of ribbon and **glue** the tails to the back of a candy holder. **Repeat** for each chocolate. **Hang** a chocolate on each CraZy TACKz® hook for the 14 days of February.

For the lettering, "Cupid's Calendar": Cut out letters using a personal die-cut machine or use alphabet stickers or chipboard. **Adhere** the letters to the top of the board as shown. **Repeat** with the XOXO and 14. Refer to the photo given for placement.
